Washington, D.C. 20505

National Intelligence Council

NIC No. 01274-85  
8 March 1985

MEMORANDUM FOR: Senior Review Panel

FROM: Herbert E. Meyer  
Vice Chairman, National Intelligence Council

SUBJECT: SNIE 29.1-85: Greece: Implications of the Elections  
for US-Greek Relations

Attached for your review and comments is the draft of the subject estimate. As you will note, the parliamentary elections may be held as early as 18 May. In this event we would have to get the paper to policymakers in early April for it to be of most use to them. In order to speed up the production, we are assuming that Karamanlis will be reelected President on 15 March. If this does not occur, we will naturally have to modify the paper. We would appreciate your comments by COB Tuesday 12 March.
